

Photo Release Form

Dear Parents and Guardians,

During the course of the Compass Schools Conference 2024, photographs and video footage may be taken of conference sessions and activities by Compass staff.

These images may be used for a variety of purposes, including Compass newsletters, media releases and the Compass website. We may also choose some images to be used on printed brochures advertising future Compass conferences.

Students' names will not be published with the photographs.

If you would prefer your child's image not to be used please fill in the details below and return this form to your school's coordinator for the Compass Conference.

Not returning this form will be taken as you granting permission for your child's image to be used as stated above

I do **NOT** permit to Compass to use, reproduce and communicate the photographs taken of my son/daughter

for the purposes outlined above.
